

GUIDE TO THE DOCUMENTS

Five kinds of material appear in your documents:

1. Board Policies and Procedures (pages 1 - 4)
2. Rules and Regulations (pages 5 - 12)
3. Declaration of Condominium Ownership (pages 13 - 30)
4. Articles of Incorporation (pages 31 - 34)
5. By-Laws (pages 35 - 42)

The DECLARATION established Raintree Village Condominium. It is our Constitution. The ARTICLES established Raintree Village Condominium, Inc. That is the corporation not-for-profit registered with the State of Florida called the Association, whose members own the condominium and which has authority over the condominium. The BY-LAWS are the rules under which the Association works. They set up the Board of Directors and Officers and their powers, duties, and responsibilities, meeting requirements, voting procedures, budgetary procedures, manner of assessments, etc. The RULES AND REGULATIONS govern our conduct within Raintree Village. The BOARD POLICIES tell how the Board intends to proceed on particular issues, e.g., on the types of permissions it will or will not give.

The Rules and Policies may be amended at any time by board action. Amendment of the Documents in the narrower sense, i.e., the Declaration, Articles, and By-Laws requires the members' approval in the proportions the documents themselves state. The Articles must be registered with the State of Florida.

Here is a guide to the specific contents of the declaration, articles, and by-laws. Ordinarily, when we speak of the documents, it is these that we are referring to:

DECLARATION OF CONDOMINIUM

The Declaration is our Constitution.

- 1 - 7. Establishes Raintree Village Condominium, A Retirement Community, gives its history, its name, the name of the Association, definitions of terms used throughout the Documents, identifies the buildings included, defines the individual apartments, and states their percentages of ownership (on which maintenance fees are based). For practical purposes this section is unchanged, though it is brought up to date and consolidated.
8. Says who (Owner or Association) pays for various types of repairs and gives the procedure for making alterations.
9. Outlines the procedure for allocating and collecting maintenance fees (called "assessments") and other assessments.
10. Tells who is a Member of the Association and who can vote.
11. Who pays the taxes on your unit? (You do, not the Association.
12. Says who can occupy the units and how they may be used. Also how the common elements may be used. Permits certain improvements.
13. How units are sold, leased, or mortgaged.
14. Insurance requirements.
15. What happens if a building or unit is destroyed or seriously damaged. (The Old Document said you pay whatever insurance does not cover. The New Document says that the Village pays.)
16. Tells how the Declaration and By-Laws may be amended.
17. Tells how the Condominium can be dissolved.
18. Resolution of disputes.
19. Foreclosures.
20. Miscellaneous provisions, for example, that all persons are subject to the Rules, and what recourse we have if they do not comply with them.

BOARD POLICIES & PROCEDURES

I. The Organizational Structure of Raintree Village

EXPLANATION:

1. The ultimate authority under State Law and our Documents is the membership, which elects the Board and has the power of recall.
2. The Board of Directors is responsible for all actions of the Village.
3. The Board elects its President and other Officers.
4. The Board appoints the Tenant/Owner Committee.
5. The Board contracts with the Manager.
6. The Board, with the advice of the Manager, contracts for employees through the agency of an actual employer.
7. The Manager gives employees their assignments.
8. The President appoints all committees and committee members except the Tenant-Owner Committee. The Tenant-Owner Committee is appointed by the Board of Directors annually.
9. The Board may nullify any of the president's appointments and substitute or eliminate at its pleasure.
10. The president may allow committee chairmen to recommend their committee members. However, any such selections must be approved by the president subject to nullification by the Board.
11. Committees report to the Board, not to the Members nor to the Manager. They do not act independently of the Board and do not substitute for it. They do not make policy nor Village agendas.

II. Board/Management Responsibilities

The Board. All powers and duties of the Association, except those granted to the owners by the documents, shall be exercised by the board of Directors.

The Manager. The Board has delegated authority to the Manager to act for the Association to:

- a. Supervise the maintenance, repair, replacement, administration and operation of the premises;
- b. Hire/discharge personnel;
- c. Collect assessments and fees;
- d. Secure compliance with documents;
- e. Enter into agreements for the purpose of maintaining the property;
- f. Enter into agreements for services as determined by the Association;
- g. Maintain accounts;
- h. Prepare and submit a proposed budget.

In all actions the Manager is accountable to the Board. He will prepare a clear, complete written report for each board meeting. The report should detail what has taken place since the last board meeting, what projects are underway and other items necessary to keep the board informed of the activities at Raintree.

When the board makes a decision, the manager will take the action necessary to implement it. If the policy is unclear, an interpretation should be requested.

Individual or committee requests or recommendations go to the manager who will assess them and take appropriate action. Appropriate action includes to approve, reject, reserve decision for research or refer to the board, and to notify the individual or committee head, in writing, of the decision. The manager will also take what action is required of the Association to implement decisions.

Raintree employees and contract personnel are under the primary supervision of the Manager. A designated Board member may exercise secondary supervision and otherwise oversee the employees.

The employees, on their own initiative, may do emergency work or routine maintenance but are to report to the manager any other needed repairs or improvements. The Manager or the designated Board member will then assess needs and assign work.

The volunteers of the numerous Raintree committees are encouraged to continue their efforts toward improving Raintree. Preventive maintenance, recreational activities, transportation, social functions, etc. add greatly to the community. Committee or individual suggestions are welcomed by the board. Maintenance proposals should be sent to the manager.

III. Maintenance Policies

- A) If two panels of a wooden garage door need replacement, the door should be replaced with a door of compatible design.
- B) The Association will use only square terra cotta tile when replacing a front door stoop covering. If this is not a practical or workable choice for a particular unit, the manager will select another covering. An owner who wants a covering different from that chosen by the manager may petition the Board for a variance at the owner's expense.

IV. Board Policies for the Common Areas.

A) General

Any person making changes to the common area which have not been approved by the proper authority (the board or by vote of the owners) will be required to undo the changes and restore the affected area at his/her expense. The board will not consider personal hardship, expense, friendship or sympathy where such changes have been made without specific approval or where they exceed in extent what was approved. The policy will govern plantings, constructions, decorations, statuary, mailboxes, removals, and any other alterations to the common area.

However, the Board may exercise some flexibility in what it approves due to the different needs within the community. For example, what is appropriate near a perimeter fence may not be appropriate by the pool. Nevertheless, the Board may not approve alterations retroactively.

Approval by the Board means approval as recorded in the Board minutes, not merely consent by a committee or an unofficial agreement by several Board members.

Proposals for changes to the common area may be initiated by the Board or by an owner.

a) Board

1. Must make changes to fulfill its maintenance responsibilities to the community.
2. Consistent with Declaration 8, may approve changes initiated by owners.
3. May initiate proposals for change to be sent to the membership for approval.

b) Owner

1. May propose changes either for personal or Association benefit. These proposals are subject to approval by the Board or owners, whichever group is appropriate.
2. Must get Board approval as to color, style, etc. before installing additions to the common area allowed by state statutes.
3. Must get Board approval before making changes to an apartment that affect the exterior appearance of the building.

B) Fence Policy

It is Board policy to remove fences needing extensive repairs unless the owner of the unit desires to make such repairs at his or her own expense. If the fences are not properly maintained, they will be removed. In addition, front fences may be removed at the request of the owner of the unit. Once removed, they will not subsequently be replaced. New fences may not be installed by individual owners on community property.

Perimeter fences are the responsibility of the Board and shall be removed, repaired or maintained as needed and agreed to by the Board of Directors. Expenses related to perimeter fences are the responsibility of the Association. If owners wish to add privacy slats, they may be able to do so but only with prior Board approval.

The Board's desire to be as considerate as possible of the wishes of individual owners in the matter of fences (as of such other matters as plantings and parking) is secondary. The Board's primary responsibility is to maintain and administer the common areas for the benefit of the whole community, and that must always take precedence, as must cost and availability of funds. It is the Board, not the individual owner, which, in cooperation with the owner where possible, must determine what is appropriate.

Fence policy must always be a subsidiary part of general grounds maintenance policy and of budgetary requirements.

C) Grounds Policy

It is the Board's policy always to consider the total impact of its actions with regard to maintaining the common areas. Not every item will be replaced with a like item, for example a tree with a tree, a shrub with a shrub, or a fence with a fence. Trees wrongly planted decades ago now often do damage to foundation, roofs, porches, driveways, or streets. A single tree may be a more suitable replacement for two or more trees - for example, a deciduous tree instead of a cluster of palms, or a desirable tree instead of two of undesirable type. These are Board and committee decisions, not owner's rights, which, as the Document make clear, are limited as rights to the inside of the unit. Owners' desires will be considered: but so will other such factors as overall landscaping, likelihood of damage, cost of installing (or removing), likelihood of proper care and watering by the owner, past history of installations for that owner, and expense of maintenance (even when the installation would be paid for by the owner).

V. Financial Matters

A) As required by Florida Statute 718.111(13)(d)3, the Board will contract for an audit at least once every 3 years. A vote of the membership is required to waive the audit requirement in other years.

B) Delinquent Assessment Policy This policy applies to all assessments. Regular assessments are due and payable on the first day of each month. Special assessments are due and payable as determined by the Board of Directors.

A late fee will be charged on any assessment when no payment has been received by the 10th day after the due date. The amount of the late fee shall be \$25.00 for each delinquent month. For any delinquent assessment or installment of an assessment in an amount more than \$1,000, an administrative *fee* of 5% of the delinquent amount shall be added.

As per F.S. 718.116(3), any payment on account shall be applied in the following Order: first to any interest accrued by the association, then to any administrative late fee, then to any costs and reasonable attorney's fees incurred in collection, and then to the delinquent assessment.

The Board of Directors may accelerate the remaining installments of an assessment. Acceleration means that if a delinquency occurs, then at the association's option, the monthly installments for the remaining months of that calendar year become immediately due and payable.

The following procedures will be used to process delinquent amounts payable to Raintree Village.

1. Reminder letter: Management shall notify the Unit Owner of any delinquent assessments, interest and late fees due by letter on or before the 20th day after the due date.
2. Collection letter: If a delinquency is not paid in full by the 10th day of the following month, the management Property Manager will send a letter indicating that payment in full must be received within 30 days to avoid referral to the association attorney to enforce collection.
3. The -Property Manager will provide copies of all letters and a report of all delinquent accounts as part of the Manager's monthly report.

B) The disbursement of money is the responsibility of the Board, which has delegated to the Manager authority to approve spending for normal services, for Board approved contracts or purchases, for employee expenses and for necessary maintenance and repair items. Major maintenance/repair expenditures must be approved by the Board. Small, recurring expenses (e.g., newsletter costs, stamps, printed forms, office supplies) have prior approval from the Board. Other expenditures should be approved by the Board.

VI. Miscellaneous

A) Inheriting a Unit:

- 1) Following the death of an owner whose apartment is inherited by non-residents, the Association Secretary will send a letter of condolence and provide information on how to contact the association regarding disposition or intent to occupy the apartment.
- 2) An heir must provide documentary evidence of ownership to the Tenant/Owner Committee at the time of interview.
- 3) When an apartment is inherited or in probate, and before complete legal evidence of ownership can be supplied, the Tenant/Owner Committee may temporarily accept partial evidence of ownership or status as a personal representative. During this transition period, if the presumptive heir or a delegate wishes to use the apartment to prepare it for occupancy, sale or lease, the Association may temporarily waive the Tenant/Owner interview requirement and the 55+ age restriction and allow him to occupy the apartment for up to sixty days. After a six-month period, no one may occupy the apartment without an interview and approval by the Tenant-Owner Committee. Final approval to occupy must await completion of legal evidence and requires Tenant/Owner Committee approval as provided in Declaration 13.1 A. In special circumstances the Board may allow additional days.

B) Harassment: The Board will act against harassers (as so defined by law) in an appropriate manner including such actions as sending a notice, giving a reprimand, notification of the police, arbitration, and legal action. Any employees of Raintree Village will be instructed concerning this policy. Either the offender or the victim may be a person working, residing, or visiting in Raintree Village. Harassment complaints shall be reported to the Board in writing and will be entitled to confidentiality and a written reply by the Board. The Tenant Owner committee must make known to prospective owners and residents the harassment/discrimination policies of Rain tree Village.

RULES AND REGULATIONS FOR RAINTREE VILLAGE CONDOMINIUM, INC.

(Revised 2/10, 2/17, 3/16 2004, 3/20/2007; 11/18/2008 and 3/16/2014)

Preamble. The following are established and set forth as Rules and Regulations, as amended and approved by the Board of Directors of Rain tree Village Condominium Association, Inc., this 21st day of October, 2003, pursuant to the provisions of Article 12.7 of the amendments to the Declaration of Condominium Ownership of Rain tree Village Condominium, Inc., which is duly recorded in the Public Records of Pinellas County, Florida, and found in o. CONDOMINIUM PLATS PERTAINING HERETO ARE FILED
IN CONDOMINIUM PLAT BOOK 18 PAGES 57-70 INCLUSIVE

(3) HURRICANE SHUTTERS - The Board does not currently specify the types of permissible hurricane shutters. However, it retains the right to deny installations which it finds unacceptable. Accordingly, any owner wishing to install hurricane shutters **must** submit a request including detailed information and description to the Board specifying method and duration of installation. The requested type must be in conformity with all applicable codes. Its appearance and its effect on the building and building maintenance must satisfy the Board before permission will be granted.

(4) MAIL SLOTS AND BOXES - Mail slots will be the 11" size installed in the upper corner of the end panel of the second row from the bottom of the garage door. If a mail slot is installed it is requested that the mailbox be returned to the Association. - N. A change in color of buildings, entry doors or roof shingles is a material alteration and requires approval by a membership vote in accordance with the documents. Front entry doors shall be painted only by the Association.

Building colors are determined by the colors of the roof shingles. Three color combinations, referred to as tan, gold and green, are used. TAN buildings have dark green entry doors, dark brown roof shingles and dark brown trim. GOLD buildings have dark red entry doors, dark gold roof shingles and dark gold trim. GREEN buildings have dark red entry doors, dark gray roof shingles and dark green trim. The clubhouse and shed are the same GREEN color combinations as those used on the residential buildings. Those roofs shall be changed to conform to the color pairings the next time the roofs are replaced.

Plain stucco (swirled), horizontal design stucco and rear porch panels are body color. Vertical design stucco (except simulated brick and rock), balconies, window trim, windowsills, upper side of awnings, fences, wood trim, gutters and the south garage walls of buildings 1600, 1700 and 1900 are painted the trim color. Downspouts are painted the background color.

- O. All committees are appointed by the President and/or the Board and are responsible to the Board. They make recommendations to the Board but do not act without specific instructions by the Board.

- Q. If two panels of a wooden garage door need replacement, the door would be replaced with a steel door of compatible design.
- R. The dumpster may not be used by residents. The costs involved in the improper use of the dumpster must be paid by the violator.
- S. When a unit is required to be vacated for termite tenting, the occupants may be subsidized up to \$50 per unit per night for lodging upon presentation of a hotel or motel receipted statement to the Board. Lodging arrangements for pets is the occupant's responsibility.

2. VEHICLES/PARKING

- A. A speed limit of ten (10) miles per hour is established within the boundaries of Raintree Village.
- B. A driveway leading to an apartment must be kept free of obstruction so as not to limit the resident's use of his apartment.
- C. Only vehicles of residents may be parked permanently on Raintree property. Vehicles of guests, service personnel and those conducting business in the Village may be parked on the premises for the duration of the stay. All vehicles must a) conform to the Raintree Village parking regulations, be small enough to fit in the garage, be used primarily for private transportation, display no markings (other than ordinary decals or bumper stickers) advertising private commercial ventures or b) be service vehicles in Raintree on a temporary basis. Exceptions to these rules are noted below. Only vehicles meeting these conditions are authorized to park in Raintree village. Unauthorized vehicles are subject to being towed from the property. Any cost to the Association by this action will be borne by the owner of the vehicle or, if the owner is a guest, by the occupant host.
- D. Motorcycles must be stored in the garage and may be ridden in Raintree only between the residence and the nearest entrance. Motorized medical conveyances are a recognized exception for some residents and may be operated (with caution) throughout the Village.
- E. Guests and residents may park recreational vehicles in the clubhouse parking area a maximum of two (2) consecutive nights. No one may live in the vehicles while on Raintree property. The Association must be notified where the owner may be reached in case of an emergency.
- F. Boats and utility trailers are prohibited.

- G. The residents of a unit may park two (2) cars on the premises. One car should be parked in the garage, the other on the driveway. In case of hardship a resident may petition the Board to have a third car or to park in a guest parking space. If permission is granted, the owner must register the vehicle with the Association, which may assign a parking area. There shall be no more than three (3) motor vehicles per unit.
- H. On-street parking is prohibited except for service vehicles, cars with "handicapped" tags and other short term parking needs. The parked vehicles must not impede traffic nor limit access to driveways. Parking on the lawn and overnight street parking are not allowed.
- I. Guest parking spaces are primarily for the use of visitors to Raintree Village. Residents may use guest spaces briefly for their convenience. All other uses by residents require prior Board permission and a decal obtainable from the manager, which must be renewed in January of each odd-numbered year. Because the configuration of the driveways of buildings 1600, 1700 and 1900 is such that entrance to the garages is often impeded and because unit 2706 has no garage, residents of those units are permitted by the Board to have one decal per unit.
- J. Repair of vehicles is limited to resident's vehicles. It must be done in the garage or driveway without causing undue noise or pollution.
- K. Car washing on the premises is limited to vehicles of Raintree Village residents who must observe water use regulations. If a hose is used, it should have an automatic shutoff nozzle.

3. PLANTINGS

Legally, everything in Raintree Village except the individual apartments and their contents belongs to the Association. Historically, the Association has been permissive in allowing individuals to use common property for their own use or pleasure. This practice has been beneficial in many ways including the cultivation of many fine gardens which beautify the Village and make it an enjoyable place to live. Unfortunately the practice has also resulted in unsightliness and expense to the Association because of inappropriate planting or negligent care. To properly rectify these issues is very expensive. Residents of Raintree Village can help by observing the rules regarding plantings. Rule 3.C. contains a list of shrubs that may no longer be planted in Raintree Village

- A. Declaration 5.2 defines Common Elements as "That portion of the Condominium Property not included in the apartments, and all personal property as may be owned by Association from time to time." This means that all trees, shrubs, bushes, flowers and grass planted in Raintree property are part of the common elements and belong to the Association, not to individual owners, regardless of who planted them, and the Association has ultimate responsibility for their care and maintenance. Individuals may not dictate to the Association or its employees how these plants are to be maintained.
- B. The Association grants residents permission to maintain gardens in the common areas immediately adjacent to their units [see Declaration 8.2 A (2)]. The resident is responsible for the care of the garden and may plant or remove approved plantings as he wishes. Large shrubs, trees and unsuitable plants are prohibited as are plants that may interfere with maintenance or painting or cause damage to buildings, pipes, walks, etc. Vegetation should not touch the wall. The Association will assume care of the garden if it appears to be neglected by the resident or is deemed inappropriate by the Association. The cost to restore the area shall be borne by the owner. [See Declaration 8,2 B (1)]
- C. The following problem plants may no longer be planted in Raintree Village: avocado, bamboo, Brazilian pepper, cactus, carrot wood, century plant, ear tree, ficus, fruit trees, Italian cypress, jacaranda, oleander, papaya, rubber plant, schefflera, split leaf philodendron, torulosa and, except on the perimeter chain link fences, vines and bougainvillea.
- D. Rocks or stones may no longer be used for landscaping in Raintree Village. Bricks or similar materials for edging are allowed in the garden area except where they may interfere with lawn care.
- E. If a resident does not wish to keep a garden the Association will assume control, choose plantings and maintain the area, subject to the provisions of the Declaration 8.2B (2). Residents who wish to maintain their own gardens must install red reflectors in those areas.
- F. An individual who wishes to care for preexisting trees or bushes outside the garden area must have permission from the Board and must agree to abide by the Association's rules for tree and shrub care. The individual will not be reimbursed for any expenses involved with the care.

- G. The care of any of the common elements maintained privately will revert to the Association if, in the opinion of the Association, they are not properly maintained. (See B above)
- H. Planting on Raintree property is the responsibility of the Association. Individual residents may plant only in the gardens or with specific prior permission from the Board and must adhere to the guidelines set by the Association.
- I. **RAINTREE TREE/SHRUB REGULATIONS**
 - 1. Shrubs and bushes inside and adjacent to the perimeter fences shall be maintained as follows: On the north and east sides at seven feet. On the south and west sides at ten feet.
 - 2. Except at porches hedges under windows may be no higher than window sill height.
 - 3. Other hedges in the village shall be maintained between 3 and 4 feet in height.
- J. Because records are incomplete it is difficult to determine who is responsible for many of the plantings in Raintree Village. Therefore, the Association accepts legal and financial responsibility for all vegetation in the common elements prior to October, 2003. After this date an owner may be held responsible for new garden plantings or new, unauthorized plantings in the common area.

4. SELLING OR RENTING A UNIT

- A. If a unit is for sale the owner or his agent may display OPEN HOUSE and FOR SALE signs, professionally made and no larger than 18" X 24", at the Village entrances and on the lawn in front of the unit between 12:00 noon and 4:00 P. M. on Saturday and Sunday afternoons.
- B. A professionally made FOR RENT or FOR SALE sign no larger than 18" X 24" may be displayed inside not more than one street side window per side.
- C. The seller is responsible for compliance with Association parking regulations.
- D. The unit owner must provide a prospective buyer or tenant with a set of current condominium documents no less than 48 hours prior to the Tenant/Owner Committee interview.
- E. Buyers receive the owner's clubhouse key at the time of closing. Tenants receive a key upon approval by the Tenant/Owner Committee.
- F. A seventy-five dollar (\$75.00) non refundable screening fee must accompany each application for the screening of prospective owners/occupants by the Tenant/Owner Committee.

5. MEETINGS

- A. Notices and agenda of meetings of the Board or of Committees acting for the Board are to be posted on a bulletin board in the clubhouse at least 48 hours prior to the meeting. Agenda items can be removed only upon resolution by the Board or Committee. All unresolved agenda items will be carried forward to the next meeting as unfinished business.
- B. An owner or resident may speak, submit material to introduce, clarify or explain a subject, and otherwise participate in a Board or Committee meeting. The Association may enforce the Owner's obligation to pay the expense as set forth in paragraph 8.2 B (1) above.

Notwithstanding the above, the membership shall not be changed nor shall the new Owner be entitled to vote until the new Owner is approved as set forth herein.

12.1 Apartments.

A. Eligibility for Occupancy. No person who refuses to be bound by the provisions of this Declaration, or the Articles of Incorporation of Raintree Village Condominium, Inc., the By-Laws, and the Rules and Regulations shall be approved for occupancy of an Apartment. Nor shall any family nor any additional person whom the Owner shall later wish to occupy the Apartment be eligible for occupancy unless it/he/she satisfies the requirements in Paragraphs 12.1 B, C, E, and F.

B. Age Limitation on Residents. The occupancy of any of the units is hereby limited at all times to natural persons as follows: At least one occupant of each unit shall be at least fifty-five (55) years of age. Exceptions are granted to adult (18 years of age or older) heirs, residents or Owners upon the death of the resident who met the age requirement.

C. Family Unit. Each of the Apartments shall be occupied only by a single family, and guests, as a residence and for no other purpose. E. Guests. Any person not a member of the accepted single family unit is considered to be a guest and is limited to a stay of sixty (60) days per year. Absent residents may not have guests unless approval has been granted in advance by the Board of Directors. This paragraph shall not preclude the Board's making special provisions for emergencies.

Additionally, one person and the immediate family of that person shall serve as the primary record owner of the apartment. The primary occupant will have sole rights of occupancy of the apartment as well as the privileges and responsibilities that ownership offers. These rights will continue until such time as the apartment is sold or a different primary record owner is selected but in any event not more than once a year.

12.2 Common Elements. The common elements shall be used only for the purpose for which they are intended in the furnishings of services and facilities for the enjoyment of the apartments subject to the provisions of these documents. (See esp. Declaration 8).

12.3 Offenses.

No nuisances shall be allowed upon the Condominium Property, nor any use or practice which is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents. All part(s) of the property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate nor any fire hazard allowed to exist. No Apartment Owner shall permit any use of his Apartment or make any use of the common elements which will increase the rate of insurance upon the Condominium property or increase the maintenance costs.

B. Harassment. Harassment and discrimination recognized as such by the laws of the United States, the State of Florida, or lesser jurisdictions to which Raintree Village and its residents are subject will not be tolerated. The Association's manner of dealing with harassment is specified in the By-Laws, Rules and Regulations, and Board Policies.

C. Towing. The Association has the right to have unauthorized or improperly parked vehicles towed at the owner's expense.

12.4 Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property nor any part thereof; and all valid laws, zoning, ordinances and regulations of all governmental bodies having jurisdiction thereof shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of the Condominium Property shall be the same as the responsibility for the maintenance and repair of the property concerned.

12.5 Leasing. After approval by the Tenant-Owner Committee elsewhere required, entire Apartments may be rented, provided the occupancy is only by the Lessee and his family or guests. No rooms may be rented except as part of the leasing of an entire Apartment. No rental shall be for a period of less than six (6) months, except that extensions for a shorter period may be approved.

12.6 Pets. No more than two (2) neutered domestic cats confined entirely indoors are permitted. No other animals or reptiles are permitted on the premises except those living in Raintree Village prior to April 1, 1979, which may not be replaced upon their demise or departure. Pets accompanying guests of residents will be permitted to visit for a maximum of two nights. Dogs must be on a leash when walked and any droppings must be collected immediately.

12.7 Regulations. Rules and regulations concerning the use of the Condominium property have been promulgated by the Board of Directors. A copy of the current Rules and Regulations is attached hereto. These Rules and Regulations have been exhibited to each Owner and are recognized as being for the benefit of the Owners and Occupants of Raintree Village Condominium. Guests, as well as permanent occupants must abide by them. The said Rules and Regulations may be changed or amended by obtaining the approval of either two-thirds of the Owners or by a majority of the Board of Directors of the Association.

Said Committee shall have the responsibility of approving all prospective Owners and Occupants of any of the Apartments in this development, whether they are being purchased, received as gifts, inherited, leased, or otherwise coming into the possession of said persons or being made available to them for their use. Only persons who have been interviewed and approved by the Tenant-Owner Committee shall be permitted to be permanent residents of Raintree Village. It shall be the responsibility of the Owner to arrange an interview for any additional persons who plan to become owners, tenants or occupants of the condominium, who shall be subject to the same conditions of eligibility as the original owner, except where such occupancy is for periods of not more than sixty (60) days in any calendar year and not more than sixty (60) consecutive days.

B. Service Charges. A non-refundable service charge payable to Raintree Village Condominium, Inc., shall be made for all applications to the Tenant-Owner Committee to review applications for conveyances or leases. The amount shall be specified by the Board of Directors in the Rules and Regulations.

C. The Board of Directors will establish procedures and regulations, consistent with Raintree Village documents and state policy, concerning the evaluation and eligibility of prospective Owners or Occupants of the Apartments.

13.2. Conveyances.

A. An Owner intending to convey his Apartment or any interest therein shall give notice to the Tenant-Owner Committee of such intention, together with the name and address of the intended grantee, such other information as may be reasonably required, and the terms of the proposed transaction.

B. Within thirty (30) days after receipt of such notice and all of the properly completed documentation required by the Tenant-Owner Committee and after a complete interview of the applicant(s), the Committee shall determine whether the application meets the requirements of the laws of the State of Florida and all other laws applicable to Raintree Village Condominium, as well as this Declaration, the Articles of Incorporation, the By-Laws, and the Rules and Regulations. It shall then either approve the application, state the areas of non-conformity and the conditions under which approval would be granted, or disapprove the application. Any person approved for ownership thereby agrees to abide by the provisions of paragraphs 12.1 A, B, C, E, and F with respect to any prospective future occupant.

13.3. Leases.

A. An Owner intending to lease his Apartment shall give notice to the Tenant-Owner Committee of such intention, together with the name and address of the intended Lessee, such other information or certifications as may reasonably be required, and the terms of the proposed lease.

B. Within fifteen (15) days after receipt of such notice, the Tenant-Owner Committee shall either approve or disapprove the proposed Lease. If approved, such approval shall be given in writing in non-recordable form. If disapproved, such disapproval shall be in like writing, and the Lease shall not be entered into.

13.4. Mortgages.

A. No Owner may mortgage his Apartment or any interest therein without the approval of the Association except to a bank, life insurance company, public or private pension fund, real estate investment trust or savings and loan association. The approval of any other mortgagee may be upon conditions determined by the Board of Directors of the Association. This provision shall not apply to an Owner who sells his Apartment to an approved Purchaser and as part of the purchase price takes back a mortgage from said Purchase.

13.5. Corporations and Trusts.

A. Inasmuch as the Condominium may be used only for residential purposes, and a corporation or trust cannot occupy an Apartment for such use, if the Owner or Purchaser of an Apartment is a corporation or trust, the approval of ownership by the corporation may be conditioned by requiring that all persons occupying the Apartment be approved by the Association.

13.6. Exceptions.

A. The foregoing provisions of this Paragraph 13 shall not apply to a transfer to or purchase by a bank or life insurance company as the result of owning a mortgage upon the Apartment concerned, and this shall be so whether the title is acquired by deed from the mortgagor, his successors or assigns, or through foreclosure proceedings, nor shall such provisions apply to a transfer, sale or lease by a bank, life insurance company or savings and loan association that so acquires its title. Neither shall such provisions require the approval of a Purchaser who acquires the title to an Apartment at a duly advertised public sale with open bidding provided by law, such as and limited to execution sale, foreclosure sale, judicial sale or tax sale. These exceptions do not, however, nullify requirements for occupancy.

14. Insurance. The insurance other than title insurance which shall be carried upon the condominium property and the property of the Owners shall be governed by the following provisions:

14.1 Authority to purchase. All insurance policies upon the Condominium Property shall be purchased by the Association for the benefit of the Association and the Owners and their mortgagees as their interests may appear, and provision shall be made for the issuance of certificates of mortgagee endorsements thereon. Owners may obtain insurance coverage at their own expense upon their own personal property, and for the contents and portions of the Apartment for which they are responsible, and for their personal liability and living expense.

14.2 Coverage.

A. Casualty. All buildings and improvements upon the land and all personal property included in the common elements shall be insured in an amount equal to the maximum insurable replacement value exclusive of foundation and excavation costs, as determined by the Board of Directors of the Association. The deductible amount shall be in accordance with customary practice and prudent policy. The association will pay the deductible amount when damage occurs to a portion of the unit that the Association is obligated to insure. Such coverage shall afford protection against:

(1) Loss or Damage by Fire and other hazards covered by a standard extended coverage endorsement, and

(2) Such Other Risks as from time to time shall be customarily covered with respect to buildings similar in construction, location and use as the buildings on the land, including, but not limited to vandalism and malicious mischief.

(3) Notwithstanding the above, the Association shall not be responsible for maintaining casualty insurance on items which are to be the responsibility of the Owner, as contained in the Condominium Act as amended from time to time.

B. Public Liability in such amounts and with such coverage as shall be required by the Board of Directors of the Association, including but not limited to hired automobile and non-owned automobile coverages, and with cross liability endorsement to cover liabilities of the Owners as a group to an Owner or other individual.

C. Workman's Compensation policy to meet the requirements of law.

D. Such Other Insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

14.3 Premiums. Premiums upon insurance policies purchased by the Association shall be paid by the Association as common expense.

14.4 Mortgagees. No mortgagee shall have any right to determine or participate in the determination whether or not any damaged property shall be reconstructed or repaired.

14.5 Distribution of Proceeds.

A. Reconstruction or Repair. If the damage for which proceeds of insurance policies are received by the Association is to be repaired or reconstructed, the remaining proceeds after said payment shall be distributed to the Owners, remittances to Owners and their mortgagees being payable jointly to them. Said remittances are to be made to the Owners on the basis of their undivided share in the common elements. This is a covenant for the benefit of any mortgagee or Owner of an Apartment, and for the Association, and may be enforced by either of said entities.

B. Failure to Reconstruct or Repair. If it is determined in the manner elsewhere provided (See Paragraph 15.1, B (2) and Paragraph 17) that the damage for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be distributed to the beneficial Owners, remittance to Owners and their mortgagees being payable jointly to them. Said remittance is to be based on the Owner's share of the common elements. This is a covenant for the benefit of any mortgagee or Owner, and for the Association, and may be enforced by either of said entities.

14.6 Association as Agent. The Association is hereby irrevocably appointed agent for each Owner and for each Owner of a mortgage or other lien upon an Apartment and for each Owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

15. Reconstruction or Repair after Casualty.

15.1 Determination to Reconstruct or Repair. If any part of the Condominium Property shall be damaged by casualty, the decision whether or not it shall be reconstructed or repaired shall be determined in the following manner:

A. Common Element. If the damaged improvement is a common element, the damaged property shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided (see Paragraph 17) that the Condominium shall be terminated.

B. Apartment Building. Damage to the Apartment building would necessarily include damage to portions of the common elements as well as to the Apartment.

(1) Partial Destruction. If the damaged improvements are one or more Apartment buildings, and if any Apartment in the Condominium is found by the Board of Directors of the Association to be tenantable, the damaged property shall be reconstructed or repaired unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere provided (see Paragraph 17) that the Condominium shall be terminated.

(2) Total Destruction. If the damaged improvements are all of the Apartment buildings, and if none of the Apartments in the Condominium are found by the Board of Directors of the Association to be tenantable, then the damaged property will not be reconstructed or repaired and the Condominium will be terminated without agreement as elsewhere provided (see Paragraph 17), unless within sixty (60) days after the casualty the Owners of fifty-one (51) percent of the Common Elements agree in writing to such reconstruction or repair.

15.2 Plans and Specifications. Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original building, portions of which are attached hereto as exhibits; or if not, then according to plans and specifications approved by the Board of Directors of the Association, and if the damaged property is the Apartment Building, by the Owners of all damaged Apartments therein, which approvals shall not be unreasonably withheld.

15.3 Responsibility for Damage to Apartment. If the damage is only to those parts of an Apartment or Apartments for which the responsibility of maintenance and repair is that of the Owner(s) of the Apartment(s) in question, then the Owner(s) of said Apartment(s) shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility for reconstruction and repair after casualty in a timely manner shall be that of the Association. If the Association shall have received insurance proceeds for damage for which the Owner(s) is/are responsible, such insurance proceeds shall be applied to payment of the reconstruction and repairs. The Owner(s) shall bear the cost of all decorations to said Apartment(s).

15.4 Assessments. If the proceeds of insurance are not sufficient to defray the costs of reconstruction and repair by the Association, the Board of Directors shall have the authority to levy an assessment against the Owners sufficient to cover said costs. Such assessment must be based upon their percentage of ownership.

15.5 Major Repairs. All reconstruction and repair of major casualty which is the responsibility of the Association, or which may affect the integrity of portions of Raintree Village which are the responsibility of the Association, shall be performed and supervised by engineers, architects, and/or contractors qualified to practice in Florida and selected by the Association. In accordance with Florida Statutes 718.3026, all such products and services shall be secured by the Association on the basis of competitive bids, except in case of emergency.

16. Amendments. This Declaration of Condominium and By-Laws of this Association may be amended in the following manner as well as in the manner elsewhere provided:

16.1 Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered.

16.2 Resolution. A resolution for adopting a proposed amendment may be proposed by either the Board of Directors of the Association or by petition of not less than fifteen Members of the Association. Only those Board Members present at the meetings considering the amendment may vote. Except as elsewhere provided, approvals of amendments must be by not less than three (3) Directors and by not less than two-thirds of the votes of the Members of the Association, provided the amendment does not increase the number of Apartments or alter the boundaries of the Common Elements.

16.3 Agreement. In the alternative, an amendment may be made by an agreement signed and acknowledged by all of the record Owners in the manner required for the execution of a deed, and such amendment shall be effective when recorded in the Public Records of Pinellas County, Florida.

16.4 Proviso. Provided, however, that no amendment shall discriminate against any Owner nor against any Apartment or class or group of Apartments unless the Owners so affected shall consent; and no amendment shall change any Apartment nor the share in the Common Elements appurtenant to it, nor increase the Owner's share of the common expenses, unless the record Owner of the Apartment concerned and all record Owners of mortgages thereon shall join the execution of the amendment. Neither shall an amendment of this Declaration make any change in the section entitled "Insurance" unless the record Owners of all mortgages upon Apartments in the Condominium shall join in the execution of the amendment.

16.5 Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the Officers of the Association with formalities of a deed. The amendment shall be effective when such certificate and copy of the amendment are recorded in the Public Records of Pinellas County, Florida.

17. Termination. The Condominium may be terminated in the following manner in addition to the manner provided by the Condominium Act:

17.1 Destruction. In the event that it is determined in the manner elsewhere provided (see Paragraph 15.1, B (2)) that the Apartment building shall not be reconstructed because of major damage, the Condominium plan of ownership will thereby be terminated without agreement.

17.2 Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium, and by all record owners of mortgages upon Apartments therein owned by a bank, life insurance company or a federal savings and loan association. If the proposed termination is submitted to a meeting of the Members, the notice of which meeting gives notice of the proposed termination, and if the approval of the Owners of not less than seventy-five (75) percent of the Common Elements and of the record owners of all mortgages upon Apartments in the Condominium owned by a bank, life insurance company or federal savings and loan association are obtained not later than thirty (30) days from the date of such meeting, then the approving Owners shall have an option to buy all of the Apartments of the other Owners for the period ending on the sixtieth (60th) day from the date of such meeting. The option mentioned herein shall be upon the following terms:

A. Exercise of Option. The option shall be exercised by delivery or mailing by registered mail, to each of the record Owners of the Apartments to be purchased, of an agreement to purchase signed by the Record Owners of Apartments who will participate in the purchase. Such agreement shall indicate which Apartments will be purchased by each participating Owner or Owners, who shall agree to purchase all of the Apartments owned by Owners not approving the termination. Such agreement shall create a separate contract between each seller and his purchaser.

B. Price. The sale price for each Apartment shall be the Fair Market Value determined by agreement between the seller and the purchaser within twenty (20) days from the delivery or mailing of such agreement, and in the absence of agreement as to price, it shall be determined in accordance with the requirements of paragraph 18.

C. Payment. The purchase price shall be paid in cash.

D. Closing. The sale shall be closed within twenty (20) days following determination of the sale price and the closing costs of the sale shall be borne in the usual manner.

17.3 Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by its President and Secretary certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the Public Records of Pinellas County, Florida.

17.4 Shares of Owners after Termination. After termination of the Condominium the Owners shall own the Condominium Property and all assets of the Association as tenants in common in undivided shares, and their respective mortgagees and lienors shall have mortgages and liens upon the respective undivided shares of the Owners. The undivided shares of the Owners shall be the same as the undivided shares of the Common Elements appurtenant to the Owners' Apartments prior to termination.

17.5 Amendment. The section concerning termination cannot be amended without consent of all parties required to terminate this Declaration as stated in Paragraph 17.2 hereof.

18. Disputes. Dispute regulation will be handled in accordance with the requirements of the Condominium Act, as it may be amended from time to time.

19. Mortgage Foreclosure. The following provisions shall control any foreclosure or attempted foreclosure of an Apartment:

19.1 Redemption. In the event proceedings are instituted to foreclose any mortgage on any Apartment, the Association, or any one or more of the Owners shall have the right to redeem from the mortgagee for the amount due and secured under said mortgage, or to purchase such Apartment at the foreclosure sale for the amount set forth to be due in the foreclosure decree.

19.2 Ownership by Mortgagee. Nothing herein contained shall preclude a mortgage institution, savings and loan association, insurance company, or other recognized lending institution from owning an Apartment, and such lending institution shall have an unrestricted, absolute right to accept title to the Apartment in settlement and satisfaction of said mortgage, or to foreclose the mortgage in accordance with the terms thereof, and in accordance with the laws of the State of Florida and the right to bid upon said Apartment at the foreclosure sale.

19.3 Sale of Apartment by Mortgagee. If such default is not cured as aforesaid and should the Association or any Member of Association, fail to purchase such mortgage together with any cost incident thereto from the mortgagee, or fail to purchase said Apartment at the foreclosure sale, and in or by taking title in lieu of foreclosure, the said mortgagee may sell said Apartment, and the Association or any of its Members shall have first option to purchase the Apartment at any time the mortgagee owns an Apartment. In said event, the approval procedure as set forth in Paragraph 13 should not be followed.

19.4 Amounts due from Mortgagee Owner. In the event a mortgagee takes title in lieu of foreclosure, the mortgagee shall be responsible for any portion of the common expenses which are assessed to the individual Apartment and which are unpaid. If a savings and loan association, bank or insurance mortgagee acquires title hereunder, the same mortgagee shall be required to pay the portion the former Owner was required to pay for maintenance and management. It shall also be responsible for assessments which may be made from time to time against its apartment.

A. Amount due if Rented. In the event an Apartment is owned by a savings and loan association, bank or insurance mortgagee, and if said Apartment is rented or leased, then the Owner shall be responsible for the payment of all common expenses the same as any other Owner.

19.5 Sale. Any purchaser from any mortgagee mentioned in this Paragraph shall be responsible for paying his share of expenses.

19.6 Unpaid Common Expenses. In the event a mortgage forecloses and there remain unpaid assessments or common expenses as to an individual Apartment, said arrearages shall be treated as a common expense and the other Apartment Owners shall be assessed for said amount.

20. Miscellaneous.

20.1 Who Shall be Governed. An Owner, his tenant, family, employee or guest, or any other person that may in any manner use the Condominium Property or any part of it are subject to the provisions of the Condominium Act, this Declaration, the Articles of Incorporation, the By-Laws and the Rules and Regulations of the Association.

20.2 Ownership of Apartment by Association. The Association shall have the power and authority to own an Apartment of this Condominium and to mortgage same with the approval of the Board of Directors of the Association. In the event an Apartment is rented or leased, the monies received shall be added to the common surplus and used to pay miscellaneous maintenance expenses. In the event the Apartment is sold, the proceeds received, shall be added to the common surplus and used to pay maintenance expenses, etc. In the event the Association owns an apartment from which no income is received, then the share of maintenance expenses applicable to said Apartment shall be paid as a common expense.

20.3 Compliance and Default. Each Owner shall be governed by and shall comply with the terms of the Declaration of Condominium, Articles of Incorporation, By-Laws, and Rules and Regulations adopted pursuant thereto and said documents and regulations as they may be amended from time to time. Failure of Owner to comply therewith and to secure the compliance of other persons using his Apartment, whether family, guests, tenants, or employees and whether in his Apartment or in the Common Elements, shall entitle the Association or other Owners to the relief provided under the Condominium Act, and to any other relief legally available.

20.4 Negligence. Any Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act, neglect or carelessness or by that of any member of his family or his or their guests, employees, agents or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association. Such liability shall include any increase in insurance rates occasioned by use, misuse, occupancy or abandonment of an Apartment or its appurtenances, or of the Common Elements or the, Common and Recreational Areas.

20.5 Costs and Attorney's Fees. The Association shall recover all costs and expenses, including reasonable attorney's fees and collection costs, whether through trial or appellate litigation or otherwise which it shall incur as a consequence of an Owner's default or breach of the provisions of the Condominium Act, the Declaration, the Articles of Incorporation, the By-Laws and the Rules and Regulations.

20.6 No Waiver of Rights. The failure of the Association or any Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation, the By-Laws or the Rules and Regulations adopted pursuant thereto, shall not constitute a waiver of the right to do so thereafter.

20.7 Severability. The invalidity in whole or in part of any covenant or restriction, or any section, subsection, sentence, clause, phrase or word, or other provision of this Declaration of Condominium, the Articles of Incorporation, the By-Laws or the Rules and Regulations of the Association, shall not affect the validity of the remaining portions hereof.

Each owner must previously have provided the Secretary in writing with his/her current address and any change in the address or person designated as the voter for that unit. If there is more than one owner, only one may be the designated voter.

D. Except for the election of Directors, notice of all Members' meetings, stating the time and place and the objects for which the meeting is called, shall be given by the President, Vice-President or Secretary unless waived in writing. (2) No more than one person per unit may serve on the Board at any given time.

C. Election of Directors. The following provisions will apply to the selection of directors.

(1) The Board of Directors shall be elected as prescribed by law and specified by the Florida Administrative Code and these by-laws.

(2) Completed ballots may be returned in person or by mail but may not be received after tabulation has begun. No name or unit number should appear on the ballot.

(3) Any ballots improperly cast shall be invalid. An Owner who needs assistance in casting the ballot for the reasons stated in the Florida Administrative Code may obtain assistance in casting the ballot.

(4) Elections shall be decided by a plurality of those ballots cast. No election is required unless there are more candidates than there are vacancies on the Board. If some terms to be filled are for less than full duration, the term lengths of new directors will be determined according to the number of votes the candidates receive. Those receiving the higher number of votes will gain the longer terms. A tie vote which would result in some candidates serving a lesser period of time will be decided by the Board of Directors. One which would result in one or more candidates not serving will require a runoff election among these candidates.

(5) The regular election shall occur on the date of the annual meeting.

(6) Except those occasioned by removal of Directors by the Members, vacancies in the Board of Directors which occur between annual Members' meetings shall be filled by the remaining Directors, who will appoint successors to serve until the next annual election.

D. Removal of Directors.

(1) Automatic Resignation. Listing of one's Apartment for sale shall constitute a resignation from the Board of Directors, all offices, and the Budget Committee.

(2) Removal by Vote. Any Director may be removed by the members in accordance with Florida statutes. The chosen Director will serve until the next annual election.

E. Terms of Directors. Each Director shall be elected for a term of two (2) years. The terms of three (3) Directors shall end at the annual election in even-numbered years and the terms of four (4) Directors shall end at the annual election in odd-numbered years. Directors will serve until their terms expire or until they resign, become ineligible or are removed in the manner prescribed in Paragraph 3, C. and 3, D, except that a Director who entered office in any manner other than by election to a full term at an annual election will serve only until the next annual election, when, if necessary, a Director will be elected to complete the term, at which time an election shall be scheduled to fill the vacancy for the remainder of the term.

F. Meetings of the Board of Directors.

(1) The first meeting of the newly elected Board of Directors shall begin with an organizational meeting and shall be held within ten (10) days of their election at such time and place as shall be fixed by the Directors at the meeting at which they were elected, and no further notice of the organizational meeting shall be necessary.

(2) Regular meetings of the Board of Directors may be held at such time and place as shall be determined, from time to time, by a majority of the Directors. Not less than three (3) days' notice of the meeting shall be given personally or by mail, telephone or telegraph, which notice shall state the time, place and purpose of the meeting.

(4) Any Director may waive notice of a meeting before or after the meeting and such waiver shall be deemed equivalent to the giving of notice. This shall not be construed as the right to waive the posted notice of meeting as required in By-Law c F (11).

(5) A quorum at Directors' meetings shall consist of a majority of the entire Board of Directors. The acts approved by a majority of those present at a meeting at which a quorum is present shall constitute the acts of the Board of Directors, except when approval by a greater number of Directors is required by the Declaration of Condominium, the Articles of Incorporation or these By-Laws.

(6) A Director who is present at a meeting of the Board at which action is taken shall be presumed to have assented to the action taken unless he votes against such action or abstains from voting in respect thereto because of an asserted conflict of interest. Directors may not vote by proxy or secret ballot at Board meetings. A vote or abstention for each member present shall be recorded in the Minutes.

(7) If at any meeting of the Board of Directors there be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any adjourned meeting any business that might have been transacted at the meeting as originally called may be transacted without further notice.

(8) The joinder of a Director in the action of a meeting by signing and concurring in the Minutes of that meeting shall constitute the presence of such Director for the purpose of determining a quorum.

(9) The presiding officer of Directors' meetings shall be the Chairman of the Board if such an officer has been elected; if none, the President shall preside. In the absence of the presiding officer, the Directors present shall designate one of their number to preside.

Evidence of compliance with this 14-day notice shall be made by an affidavit executed by the Secretary and filed among the official records of the Association. The place for posting such notice shall be the Bulletin Board in the Clubhouse. Notice of any meeting in which regular assessments against Owners are to be considered for any reason shall specifically contain a statement that assessments will be considered and the nature of any such assessments.

(13) All residents may participate in community and Association activities, including attending and speaking at meetings and serving on committees but only those eligible to serve on the Board of Directors may be officers of the Association or serve on the Budget, documents or Tenant-Owner Committees.

4. Powers and Duties of the Board of Directors.
