Treasurers Report January 2025

We started the year with two large expenses: The treating of the 2000 building for termites and the road repair on the west side of the village. We have also contracted Triangle Pools to provide maintenance for the pool. We have also been able to resolve the drainage repair issue without further litigation. I expect this year to be as challenging financially as last year. As of January 31 per Ameritech we have \$76,411.32 in the operating account and \$126,131.68 in The Reserve account. We were at or below budget in all cost centres except:

GL 5010 Bank/Coupon/ Admin.- Due to year start up costs

GL 5020 Office Expenses RTV- Due to printer cartridge replacement.

GL 5440 Termite/Rodent Control-Due to Tenting of Bldg 2000

GL 5610 Lic/Permit fees- Due to annual licence payment

GL 6100 Repair/Maintenance Bldg.- Due to Road repair

GL 6200 Pool-Maint/Repairs & Supplies- Due to new maintenance contract

Respectfully Submitted

Chris May- RTV Treasurer
