Hello, September!

A NOTE FROM BOARD PRESIDENT DON PUTNAM

I hope all is well with you and your families during these unprecedented times. A lot has happened in the Village over the last several months. Jim Cain, our President, has stepped down and resigned from the Board of Directors. We hope he can find some peace and relaxation with his friends and family in the coming months. Most of us have seen how much of himself and the time and energy Jim has put into the Village affairs over the last four years. He will be greatly missed. Also, Allie Martin has resigned from the Board of Directors. Allie's presence during her ten years on the Board will be hard to replace, and we thank her for her many contributions.

As we move forward, I have reluctantly stepped up to be President of the Board and Mike Dugan will be the new Vice President. This was decided by a vote of the Board. Barbara Masson will remain as the Treasurer. Dan Cottle was appointed by the Board to finish Jim Cain's term, which will expire with the election at the Annual Meeting in December. We have decided to wait until the election to fill Allie Martin's position.

Those members whose seats are up for renewal in December are Don Putnam, Betty McClure and Dan Cottle (all two-year terms) and Allie Martin (one-year term). If you are interested in running for a seat on the Board, get those nomination papers ready!

We have just finished replacing the last two roofs (Buildings 2200&2400) of the current roofing cycle. No roofing is needed now until 2038. We have spent almost \$1,000,000 on our accelerated roofing schedule since 2013. This has caused our reserves to drop very low, as anticipated. We have little to no reserve spending needed over the next five years, thereby growing our reserves back close to \$500,000.

For more information, please feel free to attend any Treasurer's meeting, usually Mondays at 10:00 am, or a Maintenance meeting (see newsletter calendar for the schedule). All meetings are open to the Public. The budget process for 2021 begins this month, with meetings scheduled on Monday, September 14 and September 21 at 11:00 a.m. My first review of the budget for this past year and next year looks good. Keep your fingers crossed.

-Don Putnam, President, Raintree Board of Directors

WELCOME!

The Board of Directors would like to welcome all of our new neighbors and friends to our Village and we look forward to meeting each of you. There are many great things going on in our Village (when we're not experiencing a pandemic!). As you settle in, you will need to traverse the new world you have moved into. Ask your neighbors, your Maintenance Team, and your Board members for assistance. We are all here to help you settle into our great community.

See you soon, and again, WELCOME!

FROM THE LANDSCAPE COMMITTEE OF THE BOARD

According to our documents, residents may not dictate how grounds are to be maintained. And all hedges are to be at a level of 3 to 4 feet and should not be above window sills, excluding all the perimeters.

The Lawn Proz Company will be shaping/trimming and cutting all the hedges and bushes that are in dire need of care, and there are many of them. Please do not interfere or tell them not to cut them. They are doing their job.

We as a community want Raintree Village to look it's best and that is what we are trying to accomplish. Also please refer to the August Board meeting minutes regarding the garden area next to your garage as to how you wish to maintain it.

Thank you in advance for your cooperation.

THE BOARD MEMBER TO CALL . . .

The Board would like to continue the practice of having each building assigned a contact person on the Board whom the residents of that building could call when they have a question, concern, or issue. Now that Allie Martin has resigned from the Board, the plan has been modified. Please make note of the Board member assigned to your building (which may have changed), and keep their phone number handy. Please only call from 9 am to 5 pm. If you have an emergency, especially after hours, please call Ameritech at 727-726-8000. You may have to leave a message, but your call will be returned very quickly.

KEEP RAINTREE BEAUTIFUL!

The board has received complaints about how unsightly the Village looks when trash is put out early in the day on Monday. We suggest that residents wait until late in the day to put out their recycling and trash. Thank you for helping to keep Raintree Village looking spiffy.

NEW! A VIDEO LENDING LIBRARY

Many, many thanks to Jim Mecklenburger for his very generous donation of 300 DVDs and a case to hold them all! The case is on order and will be installed as soon as it arrives.

RTV Book Club

August 2020

The RTV Book Club met on Monday August 17th to discuss Walk The Wire, by David Baldacci. While the group agreed that the book was an easy summer read and full of excitement, the plot lines were just a little far-fetched. There was fracking going on in a small town in North Dakota as well as the danger of a biological weapon being released. This drew in the FBI and the CIA and the US Army. Lots of people got killed but they were mostly bad guys, so it was ok. LOL

Our next Book Club meeting is Monday, September 14th at 2 pm in the clubhouse. The book is The Giver Of Stars, by JoJo Moyes. It is the story of a group of women who are traveling librarians. They delivered books to people in rural Kentucky during the depression. This book sounds like it was meant for readers. We look forward to seeing everyone on the 14th.

HURRICANE SEASON

We have been lucky so far this hurricane season. Please keep an eye on the forecast, and stay safe! Remember that if a storm does head our way, homeowners are responsible for moving potted plants and patio furniture indoors. If you have questions about storm preparation or need help, please call Don Putnam at 413-362-5135.

Accidentally went grocery shopping on an empty stomach and now I'm the proud owner of aisle 4.

SECURITY ALERT!

Last week, a car was stolen from Raintree Village overnight. The owner had accidentally left the key fob in the console and the doors were not locked. Just a reminder to make sure your car is locked in the evening, or better yet, in the garage. It's been many years since there has been any kind of crime in the Village, but this incident shows that we need to be vigilant.

AND MORE BAD NEWS . . .

I recently received this email from Jerry Ozburn, and he agreed to have it printed in the newsletter as a cautionary tale.

" On Wednesday, August 12, I drove to Publix to do some shopping. As I parked, a silver sedan drove into the adjacent parking space heading in the other direction. After I got out of my car the driver, an African-American man about 50 years in age, rolled down his window and asked for gas money so he could drive to the hospital to pick up his daughter. Although I didn't believe his story, I gave him \$5.00. The next day, as I backed out of my garage, I was surprised to see the man and a woman in the silver sedan parked at the curb in front of my house. I assume, the day before, the man waited until I left Publix and followed me home to see where I lived, with the idea of hitting me up again for money with the woman. The man approached me begging for money, I told him I was unhappy about him following me around and I had no money for him. I drove around the corner and parked my car at the curb and called my wife to make sure our house doors were locked. The man and woman followed my car and this time the woman began begging for money. I told them to leave or I would call the police. They did a 180 and quickly left. For me, the lesson I learned was not to give money to panhandlers."

FREE TO A GOOD HOME!

Jim Vowles recently got a new printer and the toner cartridges that he had purchased for the old one don't fit the new one. He has a partially used black one, and a brand new color one, style 933XL. If you could use them, please call Jim at 443-904-0006.

ITEMS STILL FOR SALE...

The Droni's, in Unit 2104, have a few more things to sell before they move. Items include 4 paintings, decorative items, and household cleaning products among others. Nothing is more than \$3. Check out what's available on Saturday, September 5th, from 10:00 a.m. to noon. If you can't make it at that time, please call Laura at 917-612-1207 to arrange an alternate time.

Grounds Committee -Betty McClure (reported by Don Putnam)

If residents cannot or do not want to maintain the garden areas next to their unit, please let the Board know so that Lawn Proz can take care of it. If residents wish to maintain their garden areas, they are asked to please place a red marker in the area and maintain it. We are trying to “catch up” on much needed lawn and garden areas and need resident’s input on their garden areas.

Maintenance Committee – Mike Dugan

- A contract with Lawn Proz has been signed.
- Unit 604: Work has begun to take care of the settling issue by injections under the floor.
- Green Minority Roofing: Installation of new roofs on the 2200 building and the 2400 building is underway.

Mike Dugan asked for volunteers for the Maintenance Committee.

A resident asked when and how repairs and/or replacements to driveways and sidewalks would be done. Don Putnam said nothing will be done this year unless there are tripping hazards. He will also get estimates on the sidewalks and driveways.

A resident asked if they could repair their own driveway. Don Putnam said yes, at the homeowner’s own cost and after getting approval from the Board.

A resident is concerned about swales behind her unit. This will be followed up by Maintenance.

Committee Reports:

Tenant/Owner Committee and
Occupancy Committee – Dan Cottle
Maintenance Committee – Mike Dugan

Since Mike Dugan was absent, Don Putnam discussed the activities of the Maintenance Committee. The Committee is working on being able to update the written report that Jim Cain had used in the past, and hopes to use that format in the future.

In the meantime, Maintenance has been busy. Roofing has been completed on the 2200 and 2400 buildings. The roofing replacement schedule had been accelerated a few years ago because we had been paying exorbitant amounts to repair leaking roofs. So now all of the buildings have been roofed and painted, which are our two biggest expenses. For the next five years, no reserve expenses are anticipated. The next major project is to fix the roads in 2025.

<p><u>Occupancy Committee</u> Dan Cottle</p>
<p>Not occupied, not for sale: 5 Not occupied, for sale: 2 Occupied and for sale: 1 Units sold: 0</p>

Dan Cottle discussed his work in getting estimates on sidewalk and driveway repairs. He met with one contractor already, and has plans to meet with two more. He and Mike Dugan surveyed about half of the Village and determined twenty sidewalks need to have paint removed and/or have repairs made. The estimate Dan received from the first company was for \$325 per sidewalk. They

(continued on the next page)

would use a machine with a diamond brush to grind the sidewalks down to bare concrete. No chemicals would be used in the process, and any dust would be collected by the machine. The company would do a trial on one sidewalk, which Dan said should be unit 2104, which is in the worst shape. Replacement cost for 5 full driveways, 4 half drives, 2 full sidewalks and a grind, cut out and repour of a 1' x 4' section would be \$22,000. Don Putnam noted that he and Barb Masson had completed a survey of the driveways and that four or five need to be replaced.

Don Putnam discussed additional work that will take place around the Village. Murray Tree Service will be coming in the next few days to trim the oak trees, which should take one to two days. Painting of roof trim and vents will take place next week. Gutters will be replaced on the 2200 and 2400 buildings soon. Alan Blevins, the gutter installer, will prepare a list of which buildings still need new gutters. We may be able to have them finished this year, or early next year. Mark is able to clean the new gutters quickly and easily, which saves the \$4,000 to \$8,000 budgeted each year to clean the old gutters. Dol-Fan, our general contractor, has a list of repairs to balconies and buildings that has been growing since January. They are running behind due to the corona virus restrictions and because the owner had been hospitalized for a while (not corona related). He is now back to work and they will begin the projects soon.

Landscaping Committee - Betty McClure

Betty McClure stated that she had given a list to Lawn Proz of bushes and hedges that need to be trimmed. At the second unit the landscapers went to, the owner yelled at them about cutting the bushes. The workers are only trying to do their jobs. If you have issues with what they are doing, please talk to a Board member, not the workers. If you are maintaining your own garden area, please mark it with a red reflector so that the workers know not to trim there.

A resident had a question about the hedges behind the units that back up to Sunset Point. They need to be trimmed and have not been done. Betty said that the lawn care company is supposed to take care of them and will be reminded to do that. The resident also said that they have cleaned up litter outside the fence along Sunset Point. The Board will clarify with LawnProz about whether they will do that going forward.

Manager's Report – Robert Kelly

Bob Kelly gave an update about the work at Unit 604, which had an issue with settling. The repairs have been made, and the sheetrock repair and grout work that the Association was responsible for has been finished. Don Putnam thanked Bob and Ameritech for taking over the project and getting it done. The Board concurred.

Unfinished Business

None

New Business

Unit 701: The owner requested permission to replace the balcony sliding glass door with a new bronze door, which would meet document requirements. Barb Masson moved to approve the request, Dan Cottle seconded, and the motion was approved by all.

Unit 2603: The owner requested permission to install new windows in compliance with the documents. The request had been made a few months ago, and for various reasons had not made it to the agenda. Dan Cottle moved to approve the request, Barb Masson seconded, and the motion was approved by all.

(continued on the next page)

Other Business

Don Putnam announced that Allie Martin had resigned from the Board. He thanked her for her service and her ten years as a Board member. The Board is discussing whether to appoint someone to fill the vacancy, or to wait until the annual elections in December.

Announcements

The monthly Birthday BBQs and Dinners Out remain cancelled for the time being due to the COVID-19 restrictions.

As of June 1st, our pool is open to full capacity, and the clubhouse is open to 50% capacity (37 people). Equipment, tables, etc. in both places should be sanitized before and after use.

Adjournment

A motion to adjourn the meeting at 7:45 p.m. was made by Barb Masson, seconded by Dan Cottle, and approved by all

The Board cordially invites all residents to the monthly meeting of the Board of Directors. The meetings are held in the clubhouse on the third Tuesday of every month at 7:00 p.m. The next one will be held on September 15th. Your interest and support are most welcome. Please come and see how you can become more involved in Raintree Village!
